

**Dr. Gang Shao** received his Ph.D. degree in Department of Materials Science and Engineering from University of Central Florida, Orlando, USA. Currently, he is an associate professor in School of Materials Science and Engineering, Zhengzhou University (China). His research interests include polymer-derived ceramics (PDCs), high-temperature micro-sensors and ultralight ceramic aerogel and its applications. Dr. Shao has published more than 60 peer-reviewed papers including 5 ESI highly cited papers with h-index of 21.
