

Biography

Seong-Min Jeong is a principal researcher working for Korea Institute of Ceramic Engineering and Technology (KICET) in Jinju, Korea.

He is also the head of Energy-Efficient Materials Center (EEMC) at KICET.

He holds B.S., M.S. and Ph. D degrees in ceramic engineering from Yonsei University (Seoul, Korea).

He worked as a research associate in City University of Hong Kong (Hong Kong, China) and post doctoral in Kyoto University (Kyoto, Japan) for years. He joined KICET in 2007 and studied especially about process modeling and experimental crystal growth.
