

## CURRICULUM VITAE

### Personal Information

**Name:** Kei SHIGEMATSU  
**Nationality:** Japanese  
**Institution:** Tokyo Institute of Technology  
**Designation:** Assistant professor  
**Office Address:** Laboratory for Materials and Structures, Tokyo Institute of Technology,  
4259, Nagatsuta, Midori-ku, Yokohama 226-8503, Japan  
**Phone/FAX No.:** +81-45-924-5380  
**Email address:** kshigematsu@msl.titech.ac.jp

### Work Experience

2018 – Assistant Professor in Tokyo Institute of Technology  
(Prof. Azuma Masaki's laboratory)  
2016 – 2018 Specially Appointed Assistant Professor in Tokyo Institute of Technology  
(Prof. Azuma Masaki's laboratory)  
2015 – 2016 Researcher, Kanagawa Institute of Industrial Science and Technology (KISTEC),  
Kanagawa, Japan

### Education

- D. S. in Science, the University of Tokyo, March 2015. (supervised by Prof. Tetsuya Hasegawa)
- M. S. in Science, the University of Tokyo, March 2012.
- B. S. in Science, the University of Tokyo, March 2010.

### Areas of Interest

- Characterization and application of multiferroic bismuth ferrite thin-films toward ultra-low energy consumption
- Synthesis of novel functional oxides or their multilayers by pulsed laser deposition technique
