

Curriculum Vitae

Yi-Hsuan Lai

Assistant professor
Department of Materials Science and Engineering
National Cheng Kung University

Department of Materials Science and Engineering
National Cheng Kung University
No.1, University Road, Tainan City 701, Taiwan

Nationality: Taiwan (R.O.C)
Tel: +886-6-2757575#62923
E-mail: yhlai@gs.ncku.edu.tw

Education

2011.10~2015.07

PhD, Chemistry, University of Cambridge.

2007.09~ 2009.06

M. S., Chemical Engineering, National Taiwan University, Taiwan.

2003.09~2007.06

B. S., Chemical Engineering, National Cheng Kung University, Taiwan.

Professional Experience

2009-2011

Research Assistant, Chemical Engineering, National Taiwan University, Taiwan.

2016.02~ 2018.07

Assistant Professor, Materials and Optoelectronic Science, National Sun Yat-sen University, Taiwan.

2018.08~ current

Assistant Professor, Materials Science and Engineering, National Cheng Kung University, Taiwan.

Expertise

- (Photo)Electrochemistry
- Energy Materials
- Synthesis and characterization of nanostructured semiconductors/electrocatalysts.
