

CURRICULUM VITAE

Name, Family name: YASHIRO
Forename: Keiji
Sex: Male
Date of birth: 24 March 1975
Place of birth: Kanagawa, Japan
Marital status: Married
Nationality: Japan
Present address: Graduate School of Environmental Studies,
Tohoku University

EDUCATION:

Mar. 2008: Graduate School of Engineering, Tohoku University, Sendai, Japan
Ph.D. (Engineering) (Doctorate by way of Dissertation)
Supervisor: Dr. Junichiro Mizusaki

Mar. 2000: Graduate School of Engineering, Tohoku University, Sendai, Japan
Master of Engineering

Mar. 1998: Tohoku University, Sendai, Japan
Bachelor of Engineering

RESEARCH AND PROFESSIONAL EXPERIENCE:

Apr. 2013-Present: Graduate School of Environmental Studies, Tohoku University, Sendai Japan
Associate Professor

Nov. 2011-Mar 2015: Japan Science and Technology Agency (JST) - PRESTO researcher

*May 2008-Mar 2013: Institute of Multidisciplinary Research for Advanced Materials, Tohoku University,
Sendai, Japan*
Senior Assistant Professor

Nov. 2008-Oct. 2009: Swiss Federal Institute of Technology, Zurich (ETHZ), Zurich, Switzerland
Visiting Scientist

*Apr. 2007-Apr.2008: Institute of Multidisciplinary Research for Advanced Materials, Tohoku University,
Sendai, Japan*

Assistant Professor

*Apr.2001- Mar.2007: Institute of Multidisciplinary Research for Advanced Materials, Tohoku University,
Sendai, Japan*

Research Associate

Apr. 2000-Mar. 2001: Research Institute for Scientific Measurement, Tohoku University, Sendai, Japan

Research Associate

Activity of Academic Society (Post)

The Electrochemical society of Japan, board member of Tohoku branch (2014-)

The Electrochemical society of Japan, member of editorial board (2018-)

Solid State Chemistry division in The Electrochemical society of Japan, board member (2018-)

MEMBERSHIP OF ACADEMIC SOCIETIES:

International Society for Solid State Ionics

The Electrochemical Society of Japan

The Ceramic Society of Japan

The Solid State Ionics Society of Japan

The SOFC Society of Japan

AWARDS:

Award of Multidisciplinary Research for Advanced Materials, IMRAM, Tohoku University (2007).

TAGAWA Award, The Japanese Society for New Frontier of Solid State Chemistry, The Electrochemical Society of Japan (2007)

Outstanding Poster Award, 9th Asian Conference on Solid State Ionics (2004)
