

KYOTO UNIVERSITY
Department of Energy & Hydrocarbon Chemistry
Graduate School of Engineering
Nishikyo-ku, Kyoto 615-8510, Japan

Curriculum Vitae

NAME: Toshiaki Matsui

NATIONALITY: Japanese

OFFICE ADDRESS: Department of Energy and Hydrocarbon Chemistry, Graduate School
of Engineering, Kyoto University, Kyoto 615-8510, Japan

Phone: +81-75-383-7060, **Fax:** +81-75-383-2520

Email: matsui@elech.kuic.kyoto-u.ac.jp

EDUCATION

Ph.D. in Chemistry, Kyoto University, March 2008

“Fundamental studies on intermediate-temperature fuel cells” (Prof. Koichi Eguchi)

2003.4 – 2003.12; Ph.D. Candidate

Department of Energy and Hydrocarbon Chemistry, Graduate School of Engineering, Kyoto
University, Japan

2001.4 – 2003.3; M.S. in Chemistry

Department of Energy and Hydrocarbon Chemistry, Graduate School of Engineering, Kyoto
University, Japan (Master course)

1997.4 – 2001.3; B.S. in Chemistry

Undergraduate School of Industrial Chemistry, Faculty of Engineering, Kyoto University,
Japan

EXPERIENCE

2011.4–Present: Associate Professor, Department of Energy and Hydrocarbon Chemistry,
Graduate School of Engineering, Kyoto University, Japan

2008.12–2011.3: Senior Lecturer, Department of Energy and Hydrocarbon Chemistry,
Graduate School of Engineering, Kyoto University, Japan

2004.1–2008.11: Assistant Professor, Department of Energy and Hydrocarbon Chemistry,
Graduate School of Engineering, Kyoto University, Japan
